• **Winery capacity (Bottles):** 10 millions

• **Founded:** 1954

The winery's location, in the highest altitude area of the vast La Mancha, plain provides ideal weather conditions for the production of great wines. Hence, the Tempranillo grape offers its best expression influenced by the Mediterranean-Continental climate and the calcareous-clayey soils. Our wines pass through a triple process of selection: in the vineyard, its reception at the winery, and through wine tasting.

• **Organic production:** 400.000 kg

• **Vineyard área:** 4000 has.

• **Quality marks:** Canforrales, Campos Reales, Atril, Canfo.

What is special in our winery? The vast Vineyard we own we can select the best grapes every year, and managing the treatment of these vines in order to obtain good quality grapes. Among these vineyards we keep old vines some of them older than 70 years old.
