**Main International Markets:** Europe, Asia, EEUU.

**Mont Reaga** is a Family winery. Since 2003 dedicated to elaborate red and white Gourmet wines. We are located in Castilla La Mancha. We are producing organic wines, and from six different grapes. Cabernet Sauvignon, Sauvignon Blanc, Merlot, Syrah, Tempranillo and Verdejo. We limit the production in our 130Hc. with 3Kg on each plant. We are doing our harvest at nights to have the best characteristics in our grapes. Long maceration process, controlling temperatures to extract the best aromas and flavours in stainless steel tanks.

For our aging process we use French and American Oaks of 300 Lts. That we change each 4 years to have the best tertiary aromas in our wines, so you could find aromatic and round wines to match with any special moment.

Several awards for all our wines (International Challenge Du Vin, Catavinum World Wine & Spirit Competition, Peñin Guide, etc.) are a distinctive of our commitment to produce only high quality wines, and to have an excellent service with our customers.

**What is special in our winery?** Family Winery, manual selection of the grapes, harvest depending of the soil, Premium wines.
