Main International Markets: We export to 65 countries, being our principal markets Canada, Suiza, Dinamarca, and UK.

• **Winery capacity (Bottles):** 1.000.000

• **Winery history:** Finca Antigua, opened in 2003, is situated between the provinces of Cuenca and Toledo, this estate is the perfect platform to give free reign to the imagination and creativity with plantations and plots of national and international varieties. Finca Antigua, a very beautiful Estate of 421 hectare of vineyards, with an average age of 38 years. Is situated almost 1000 meter above the sea level and which is the perfect combination between Scrubland and Vineyards.

With these grapes, we make a collection of surprising, creative and avant-garde wines that express the personality of this unique terroir. Designing a range of wines that embody our passion and quest for excellence.

• **Organic production:** 1.000.000 (we are in conversion)

• **Vineyard área:** 421 ha.

• **Quality marks:** Finca Antigua, Candidato and Infinitus.

What is special in our winery? More than 130 years of 100% family business. Winemaking always from our own vineyards. We are in the conversion of all our vineyards to organic.
