### Available Products

**Main International Markets:** USA, Asia, Europe

• **Winery capacity (Bottles):** 600.000 bottles nowadays but we can increase over to get over 2.000.000 bottles.

• **Winery history:** Bodegas Santa Cruz de Alpera was founded in 1947 by 25 winegrowers from the village of Alpera, with the aim of defending the viability of their vineyards and winegrowing operations. It was during these years that our winery began its journey in winemaking which leads us to the present day, where our wines are found and consumed in more than 50 countries around the world.

• **Organic production:** We have more than 1000 hectares are cultivated under the certification of organic vineyard, from which our own winery satisfies markets in several countries.

• **Vineyard área:** We keep the productive control of more than 3000 cultivated hectares, all around our village Alpera. Our vineyards are characterized by limestone soils and poor in organic matter, marked by an altitude of between 850 and 1050 meters from sea level.

• **Quality marks:** We have the newest technology for the production and aging of wines.

**What is special in our winery?** Our main grape is Garnacha Tintorera
